Employment Lifecycle Policy — Probation, Notice & Exit

Category	Work
Policy Owner	Human Resources
Effective Date	January 1, 2026
Next Review Date	January 1, 2028
Applies To	All employees of Orbis

1. Purpose

This Policy describes the stages of employment at Orbis from joining through separation, including probation, confirmation, notice periods, resignation and the exit process. It applies to all employees unless an individual employment contract states otherwise, in which case the contract prevails.

2. Probation and Confirmation

All new employees serve a probation period from their date of joining. Probation allows both the employee and Orbis to assess suitability for the role.

Level	Probation Period	Extension
Executive / Analyst / Engineer	3 months	Up to 3 further months
Senior Engineer / Team Lead	6 months	Up to 3 further months
Manager / Senior Manager	6 months	Up to 6 further months

Confirmation is not automatic. A confirmation review is held before the end of probation and the outcome is communicated in writing. Where performance is not yet satisfactory, probation may be extended once, with documented objectives and a review date. Employees on probation accrue Casual and Sick Leave but may not avail Earned Leave until confirmed.

3. Notice Periods

Either party may end the employment relationship by giving written notice. The applicable notice period depends on grade and whether the employee is confirmed.

Stage / Level	Notice by Employee	Notice by Orbis
During probation (any level)	15 days	15 days
Confirmed — Executive to Engineer	30 days	30 days
Confirmed — Senior Engineer / Team Lead	60 days	60 days
Confirmed — Manager and above	90 days	90 days

Notice runs from the date the resignation is acknowledged by the reporting manager and HR. Orbis may, at its discretion, waive part of the notice period or accept payment in lieu of notice at basic salary. Approved leave may not be used to offset notice without written approval from the Department Head.

4. Resignation

An employee wishing to resign must submit a written resignation to their reporting manager, with a copy to Human Resources, through the HR system. HR acknowledges the resignation and confirms the last working day. Withdrawal of a resignation after acknowledgement is at the sole discretion of Orbis.

5. Exit Process

- **Knowledge transfer:** a documented handover to a named colleague, signed off by the reporting manager, is required before the last working day.
- **Asset return:** laptops, access cards, mobile devices and any other Orbis property must be returned to IT on or before the last working day.
- **Access revocation:** system access, including the Orbis HR Co-pilot, is disabled at the close of the last working day.
- **Exit interview:** HR conducts a confidential exit interview; participation is voluntary and responses are reported only in aggregate.
- **Full and final settlement:** processed within 45 days of the last working day, including leave encashment and any recoveries.

6. Termination for Cause

Orbis may terminate employment without notice for serious misconduct, including breach of the Code of Conduct, falsification of records, or a substantiated finding under the POSH process. Termination for cause follows the disciplinary procedure and requires Department Head and HR approval. Employees separated for cause are not eligible for payment in lieu of notice.

7. Retirement

The normal retirement age is 60 years. HR initiates retirement planning six months in advance, covering Provident Fund, Gratuity and the settlement of accrued benefits as described in the Compensation and Benefits Policy.
