Category	Benefits
Policy Owner	Human Resources
Effective Date	January 1, 2026
Next Review Date	January 1, 2028
Applies To	All confirmed employees of Orbis

1. Purpose

Orbis invests in its people's skills. This Policy describes the training, certification and study support available, and how to access it.

2. Annual Entitlement

Support	Entitlement	Approval
Professional certification or course	Up to INR 40,000 per year	Manager and Department Head
Books and periodicals	Up to INR 5,000 per year	Manager
Conference or workshop attendance	One event per year, cost by approval	Department Head
Learning time	Up to 5 working days per year	Manager
Internal training	Unlimited	None required

Amounts are per Leave Year (1 January to 31 December) and do not carry forward. Claims are submitted with bills through the HR system within 60 days of the expense, as described in the Compensation and Benefits Policy.

3. What Qualifies

- Certifications relevant to the employee's current role or an agreed next role.
- Technical, professional, language or leadership courses.
- Membership of a professional body where it is relevant to the role.
- Examination fees, including one re-attempt.

Purely recreational courses, and qualifications unrelated to the employee's work at Orbis, are not covered.

4. Mandatory Training

Some training is required of everyone and is not optional:

Training	When	Refresher
POSH awareness	Within 30 days of joining	Every 12 months
Code of Conduct	Within 30 days of joining	Every 24 months
Data privacy and information security	Within 30 days of joining	Every 12 months

Completion is recorded in the HR system. Managers review outstanding training in monthly one-to-ones, and completion forms part of the annual performance review.

5. Service Commitment

Where Orbis funds a certification or programme costing more than INR 100,000, the employee agrees to remain with the company for 12 months from completion. If they resign within that period, a pro-rata portion of the cost is recoverable from the full and final settlement. This is agreed in writing before the programme begins, and is waived in cases of redundancy or medical separation.

6. Development Planning

Every employee agrees a development plan with their manager during the annual appraisal, recorded alongside the performance rating. The plan sets out the capabilities to build over the coming year and the support required. Progress is reviewed at the mid-year check-in.

7. Internal Mobility

Open roles are advertised internally for five working days before external posting. Confirmed employees with at least 12 months in their current role may apply without their manager's prior permission; HR informs the manager once an application progresses to interview.
